About Us

Our founder, Johnny Justice, Jr., was raised in an orphanage in rural NC and went on to become an internationally recognized pioneer in fluorescein angiography. He trained and worked as a medical photographer at Duke Univ. Hospital and the VA Hospital in Durham (1957-1962). He co-established angiography at the Bascom Palmer Eye Institute working “hand in glove” with their investigative physicians where the technique “went viral” in the 1960s.

Later, he established the first angiography lab at Wills Eye Hospital in Philadelphia and in 1971 Justice accepted a full-time faculty appointment at Baylor College of Medicine in Houston and was promoted to assistant-professor at their Cullen Eye Institute in 1976. He was honored by the AAO in 1973 for his many accomplishments and in 1978 the Ophthalmic Photographers’ Society honored him as its Principal Founding Member and later they established the Johnny Justice, Jr. Scholarship Award. www.opsweb.org

In 1981 Prof. Justice opened the Angiogram Reading Center in Houston and in 1986 moved the Center and his family to centrally located Memphis, TN. In 1992 he and his high school sweetheart, Carol P. Justice, a retired CRA-COA, founded Justice Ophthalmics and remain active in its operation today. Their mission was to provide a consistently reliable source for ophthalmic pharmaceuticals and surgical supplies. While pricing is important, customer service is at the heart of their success. Their simple motto is: "Give the doctors and their staff what they want, when they want it."

Family owned and operated since 1992, currently Jay D. Justice, is the CEO and Chad P. Justice, manages the day-to-day operation. We are constantly striving for customer satisfaction, friendliness, and competitive pricing. A vast majority of our customers know us, and we know them. When you call to place an order or ask a question, you’re always remembered. This is the beauty of working with a small family business. Let our family take care of yours.

A

Product	Size	Product #	Price
 Acetazolamide Tablets (Compare to Diamox) 250 mg 500 mg	100/bottle	744119	\$195.00

Beaver-Visitec Punctal Occluders

Product	Size	Product #	Price
---------	------	-----------	-------

Beaver-Visitec Collagen Inserts (Sterile Wrappes Sleeves)

Used to temporarily occlude the punctum/canaliculus to determine if permanent occlusion will be beneficial to the dry eye patient. The implant will dissolve over a period of 7-10 days.

0.2mm - 2.0mm (Small)	60/box	755061	\$85.00
0.3mm - 2.0mm (Medium)	60/box	755062	\$85.00
0.4mm - 2.0mm (Large)	60/box	755063	\$85.00

Beaver-Visitec Parasol Punctal Occluders

Sterile: Pre-loaded (one pair) Beaver-Visitec Punctal Occluders utilize a flexible nose for ease of insertion, a more comfortable fit, and a more secure fit. Upon entering the punctum, the nose flexes and opens like a parasol when inserted into the canaliculus. When removed, parasol simply inverts.

0.35mm - 0.65mm (Small)	1 pair/box	755054	\$85.00
0.55mm - 0.85mm (Medium)	1 pair/box	755055	\$85.00
0.75mm - 0.90mm (Large)	1 pair/box	755056	\$85.00

Non-Sterile: For maximum economy, Beaver-Visitec makes readily available punctum plugs which must be loaded onto an inserter (sold seperately.)

0.35mm - 0.65mm (Small)	20/box	755066	\$425.00
0.55mm - 0.85mm (Medium)	20/box	755067	\$425.00
0.75mm - 0.90mm (Large)	20/box	755068	\$425.00

Beaver-Visitec Parasol Insertion Instrument

One pair of inserters used in conjunction with the non-sterile punctal occluders.

One pair	Each	755064	\$59.00
----------	------	--------	---------

Beaver-Visitec Quickload Punctal Occluder

Combining sterile convenience with bulk economy. Beaver-Visitecs Parasol Quickload occluders are supplied sterile, pre-mounted on a color-coded strand.

0.35mm - 0.65mm (Small)	8 pair/box	755087	\$425.00
0.55mm - 0.85mm (Medium)	8 pair/box	755088	\$425.00
0.75mm - 0.90mm (Large)	8 pair/box	755089	\$425.00

Beaver-Visitec Quickload Combination Pack

The plugs are pre-mounted on a specially-designed stand that stabilized the plug in a lot for easy loading onto the reusable insertion instruments. 4 small (Red Tray) and 4 medium (Black Tray.)

0.35mm - 0.65mm (Small)/			
0.55mm - 0.85mm (Medium)	8 pair/box	755086	\$425.00

Beaver-Visitec Extend

Absorbable synthetic punctal implants designed to provide temporary dry eye relief for up to 3 months.

0.3mm - 2.0mm (Small)	20/box	755204	\$225.00
0.4mm - 2.0mm (Medium)	20/box	755205	\$225.00
0.5mm - 2.0mm (Large)	20/box	755206	\$225.00
Variety Pack (Assortment)	20/box	755207	\$225.00

TERMS AND CONDITIONS

General Information

- No dollar or unit minimum.
- Product availability and pricing are subject to change without notice.
- Purchasers must be appropriately licensed. Justice Ophthalmics assumes no liability for purchaser or user compliance with state law.

Order Processing

- All incoming order will be shipped out within 1 to 24 hours of being received.
- All special order items may take up to two weeks for delivery and will be charged a shipping fee.
- All orders are shipped UPS ground unless requested otherwise by the customer.
- Additional shipping charges will be charged to the customer for UPS next day air or 2 day service.
- All products backorder will be shipped as they become available without customer contact unless previously cancelled by the customer.

Payments

- All invoices are net 30 days.
- Past due balances are subject to a finance charge of 1-1.5% per month. All payments will be applied first to any finance charge and then to the oldest unpaid invoice. In the event of a delinquency, Justice Ophthalmics may declare all unpaid balances past due.
- Accounts must be current to receive further shipments.
- Justice Ophthalmics accepts checks, Visa, Mastercard, and American Express.

Return Goods Policy

- No merchandise is acceptable for return without original packaging, package insert, and product in resalable condition.
- If merchandise is damaged during shipment or there are discrepancies in your order, you must notify Justice Ophthalmics within three (3) business days. If no notification, order is assumed to be correct.
- Defective merchandise must be returned for replacement or credit within 30 days.
- Products that expire within 12 months of purchase will be exchanged. Some products will be excluded due to manufacturer dating.
- All returned merchandise is subject to a 15% restocking fee. If Justice Ophthalmics is not at fault, shipping expenses will be the responsibility of the party returning the product.
- A credit will be forwarded following final disposition of returned merchandise.
- Special order items are not returnable.
